Please be prepared to provide concise answers to the following application questions:

1. Project Description: Describe the topline goal(s) and outcomes of your proposed program, in specific and quantitative terms. Include a brief description of target beneficiary group (including projected numbers), the existing circumstances at project outset, and any partner organization(s) with which you will collaborate to achieve your goal(s).
2. Planning Parameters: Please provide specific measurable targets and means of verification in a Planning Framework template for grant activities of the funding year requested.
3. Describe the specific steps you will take to implement this project.
4. Briefly, what is your organization's history in this geographic and/or project area? What are your organization's specific capabilities for executing this project?
5. If this proposal is for project activities that are continuing from a previous investment, briefly describe what you have accomplished to date.
6. Based on the data in your planning framework, briefly describe how you plan to evaluate the actual results against planned outcomes and outputs. How will you ensure the sustainability of the project impact?
7. Does the implementation of this project involve a non-US 501(c)3 partner organization(s)? If yes, explain how you will provide appropriate supervision to it/them.
8. Have you received prior funding from the International Foundation? If yes, please provide the year, title and the amount of each grant.
